The service costs are divided into the price of labour and the price of parts. The reason is that the parts may vary in price between different models (for example standard or heavy duty seals)

All drysuit services require a leak test and this is added in the prices

Example: change drysuit zipper, plastic

Zipper change	123 €
Plastic zipper	130 €
Leak test	35 €
Total	**288 €**

All prices excluding VAT.

Repair and spare parts	ON QUOTATION

There are models and countries that we cannot serve, and there are spare parts and repairs that we can perform that do not feature in the above list. If you contact us, we will consult you further.
